 Kirstie Willis
 Kathryn Smith
 Geoff Blundall
 Nicola Field
 Tom Moffatt
 Nicola Troth

Since the last issue of the newsletter, the school has received its SIAMS inspection report. The staff and governors were really pleased with the outcome, particularly that the effectiveness of the leadership and management of the school as a church school was found to be **outstanding**. For further details, please ask Mrs Horrocks for a copy of the inspection report.

Governors have been working with Tysoe Parish Council to think of ways to increase pupil numbers. This will continue to be an area for us to work on, and we are looking at ways to promote and market the school. If any parents with expertise in this area could offer us any help, we would love to hear from you.

It was lovely to meet some parents at our tea with governors session recently. We are hoping to make this an annual event and would look forward to meeting more parents.

We are pleased to inform you that a new parent governor has been elected to the federation board. Nicola Troth, a deputy head from a large secondary school will join us.

We would all like to say a big thank you to all of the PTA for their hard work over the year. The money they raise and the events they organise really make our school a lovely place to be! Also, thank you to all of our hard working

Coming soon... parent survey. Each year, Mrs Coates sends out a survey to seek your opinions on the way that the school is running. We, as governors will review the findings and work with the staff to ensure that the school is continuing to be at least good. Please look out for the survey.

Introducing...Nicola Field—Parent Governor

I am mum to Lizzie in year 4 and Ellie in reception at Tysoe C of E Primary. I am a qualified teacher, working part time in a local school, where I have worked for over 15 years. I am very passionate about education and keen to support where I can. I am very much looking forward to supporting the leadership of Tysoe and Wellesbourne schools and ensuring parents have a voice within Governors. If you would like to share your views, you can often find me dropping off in the mornings or leave a message in the suggestion box within reception.

Nicola Troth—Parent Governor

My name is Nicky and I am married with two children who have attended Wellesbourne C of E Primary since nursery age. Qualified for 22 years, I am currently Assistant Principal: SENCo and lead for disadvantaged students at a mainstream secondary school. I am extremely proud to have played a significant role within my school to convert from Good to Outstanding in a recent OFSTED inspection. I have vast experience working with students with special educational needs, right through to the gifted and talented. My philosophy as a parent and a teacher are the same; a child's happiness and well-being at school is paramount, closely followed by all children being challenged appropriately in order to make progress and achieve their full potential.

Have your say...

We would like to encourage a strong parent and school partnership so we welcome your feedback to enable us celebrate pupil and school successes with you and look into areas of development. Should you have any matters of concern, we hope you will speak to your child's class teacher in the first instance as this is nearly always the quickest and most effective way of resolving your concerns. Should you feel that your concern has not been resolved, it is important to speak to, or write to, Mrs Coates who will look into your concern. If you remain unhappy please contact Mrs Oscroft or write with your matter to the Chair of Governors/Clerk to the Governing Body at the school address, marked 'FOR IMMEDIATE ATTENTION' and 'PRIVATE AND CONFIDENTIAL'.
