

Friday 12th April 2019

Dear Parents and Carers,

Well done to all the children for making it to the last day of a very long term. I am proud of everyone's achievements this term across all areas of the curriculum.

Thank you to members of the Friends for an entertaining family quiz night last Friday. There was a great balance of questions to involve the children and the hard-core eggheads! Thank you to Mr Perry for the questions and to Mr Pearson for hosting. It was a friendly and fun evening.

Springs Dance Project - Christian Workshops

The highlight of the week has to be the creative dance led by three of the Springs dancers. Each class took one aspect of the Easter Story to perform to music. The children quickly learnt their routines and enjoyed the new experience of expressive dance. The two days of workshops culminated in a moving performance by Silver Birch Class to tell of Jesus' crucifixion. The children learnt how to work together in a team and were complimented for the quality of their performances by Zoe, the lead instructor.

Easter Service in St Mary's Church

Thank you to everyone who joined us for our Easter celebration in church. Several children from each class read about the events of Holy Week and Beech Class proudly performed a rhyme with actions. Thank you to Canon Tom Moffatt for leading the service and to members of St Mary's for providing the refreshments.

100% Attendance for the Spring Term

I am delighted that 39% of children received certificates for full attendance this term. Well done!

Warwickshire Schools Health & Wellbeing Service

Warwickshire Schools Health & Wellbeing Service has launched a new way for parents and carers of school aged children to get confidential advice and support about child health related issues. ChatHealth is an award-winning school nurse messaging service and is available Monday to Friday from 9am to 5pm. There will be automatic bounce-back responses to incoming messages out of hours. Answering the text messages will be a nurse who can assist with any queries about general health, child development, behaviour, toileting and emotional health and wellbeing issues. The text number is 07520 619376

School Swimming Lessons

It has been another great term of swimming lessons at Shipston Pool. Well done to all the children for making good progress and especially to eight children who received certificates in our Friday assembly. Lessons resume for Year 2, and start for the Year 1 in Beech Class, on Tuesday 30th April.

Steel Pan Drums Concert

The children from steel pan drums performed brilliantly in a concert to their parents. Thanks to Mrs Smith for running this popular club.

Music Lessons and Clubs

The violinists played in a concert to Beech Class which they all really enjoyed. Thanks to Mrs Wragg. All music lessons will start on the first week back but all other clubs do not start until week 2, 7th May.

Willow Class Inspired by the Ancient Greeks

Following their recent trip to the British Museum, the children have produced high quality writing about Greek warfare and painted detailed shields.

Friends of Tysoe School

The next Friends Meeting is the first week back on 1st May at 6.45pm in Rowan. Please give your support.

Working Party in the School Grounds

Saturday 11th May from 9am, please put the date in your diaries and offer to help, if only for one hour.

Important - Please Park Safely

After Easter, the school buses must reverse down School Lane, so they can be viewed from the school building. Please do not block the access or stop on the yellow zigzag lines. As Warwickshire is no longer funding passenger assistance, Mrs Wilkins will meet the bus each morning and escort children into school.

Have a lovely holiday and a Happy Easter to you all.

Kind regards,
Jenny Coates
