Summer Term Issue 02

COLLECTIVE WORSHIP

Our Christian core value is **Peace**

Good role model: Huw

Dear Parents and Carers,

On Wednesday, the Reception children in Beech Class had a lovely morning welcoming the new children who will start school in September. Hannah and Lyra did a brilliant job going to meet and greet the new children and their parents. Mrs Pengilley was very pleased with the success of the morning, particularly the confidence of her class. We look forward to the series of visits which commence with an evening for new parents and carers on 5th June at 7pm.

Attendance News

Beech Class achieved 100% attendance last week!

Piano and Keyboard Performance

The children, who have been taught by Mrs Belcher, gave an impressive first concert this week. Eleven children played either a solo or duet in front of the whole school. Everyone conquered their nerves to play with confidence and focus. It was a real highlight of the week. Thanks to Mrs Belcher for the enthusiasm and commitment to music in school.

Archie played brilliantly a piece that he had learnt for his successful Grade 1 examination. Other super soloists were Charlotte and Annabelle. Well done to the children who played duets: Katy and Isla, Jemima and Erin, Darcie and Cerys, Scout and Emilie.

* Star of the Week *	
Beech	Calissa and Benji
Oak	Minnie and Shirley Jo
Rowan	Louisa R
Silver Birch	Archie
Willow	Otto

Reflections on the Communion Service

Reverend George has started a series of collective worship times looking at the theme of the communion. This will lead up to Bishop Christopher's visit to St Mary's Church to lead a confirmation service on 23rd June. The children learnt there are 50 days in the Easter season until Pentecost, represented by white in the liturgical year of the church.

SATs Tests

Year 2 have had their reading tests this week and Mrs Lindsay is very pleased with all their efforts. Please note the rest of the Year 2 tests will take place over the next two weeks so please help the children to have plenty of rest. Ensure they attend school punctually and provide a good breakfast.

Year 6 SATs tests take place next week from Monday until Thursday. The children have been well-prepared and Mrs Smith knows that everyone is set to achieve the best they can. Look out for this poster around school which has clear reminders about important qualities not measured by tests. Breakfast club for Year 6 starts on Monday at 8.30am.

TERM DATES 2019

Meals cost £45.60 for the half term, £12.00 weekly or **£2.40** per day. Cheques payable to Warwickshire County Council. Please send all money in a **named** envelope.

Tysoe C.E.Primary School is committed to Safeguarding

Working Party on Saturday 11th May

Please can you offer to help with the maintenance of the school grounds tomorrow morning from 9am? Please come to help, if only for one hour during the morning. We are so lucky to have such extensive grounds but they do need to be looked after. Jobs include weeding, digging over the vegetable patch, trimming shrubs and cleaning the play equipment. Any help would be very much appreciated. It will only be cancelled if there is persistent rain.

Brailes Three Hills Walk

It was a great achievement that about six children from Tysoe completed the 6 mile walk on Bank Holiday Monday, many of them accompanied by their dogs. What a fun way to keep fit! Grace and Isla also ran a refreshment stall and raised £80 for Dementure UK. The dog biscuits were very popular!

Friends of Tysoe School

The next Friends Meeting is Wednesday 5th June at 7pm in Rowan Class. Please give your support.

Doughnuts Sale

Next Friday will be treat day again as the Friends are selling doughnuts for £1 after school on Friday 17th May. This has proved to be a popular way of raising funds for urgently needed computers.

Parachute Jump for Computers

Please sponsor Mrs Langstone for her parachute jump on Saturday 15th June. She is generously raising funds towards our £8000 urgently needed for computers by next January.

I hope to see some of you tomorrow morning to help in the school grounds.

Have a relaxing weekend and with warmer weather!

Kind regards,
Jenny Coates

Attendance

A reminder that parents do not have any entitlement to take their children on holiday during term time. It is also essential to ensure that children are punctual. Persistent lateness will be followed up because it affects learning.
