Monday 21st September 2020

Dear Parents and Carers,

As a result of an increase in positive cases of coronavirus in Warwickshire primary and secondary schools we have made some changes to our procedures at school. This is a temporary measure and will mean that should we have a positive case connected with the school it will be necessary to isolate fewer children and staff.

At playtimes the children will be in class bubbles to reduce contact with larger groups of pupils and staff. We are encouraging the children to be outside and on the field as much as possible. With this in mind, all children are asked to bring into school a pair of wellie boots or outdoor shoes suitable for use on the field that can remain in school. Please send these into school next week on Monday 28th September. They will need to be named and in a carrier bag please. The Friends of Tysoe School have agreed to fund wellie racks for the school, which will be gratefully received.

To further increase safety measures we will be making a change to the end of the day procedures from next week but will write to parents again with these details.

These are temporary measures designed to keep everyone in our school community safe. Thank you to the children for adapting so quickly and so sensibly to these changes and thank you parents for your ongoing patience as we endeavour to keep everyone safe and well in this developing situation.

Yours sincerely,

Mrs Oscroft
Executive Headteacher

Ms Neale
Head of School
