Dear Parents and Carers,

We are delighted to see all the children back to school today and they have all made a flying start.

Thank you for your patience today as we get used to new routines at school. We know that the children will adapt very quickly and we expect everything to run more smoothly over the next few days.

Your children will receive information from their class teacher about PE days and so forth by the end of the week and newsletters will resume from this Friday.

Many thanks again for your patience,

Paige Neale
