TYSOE NEWSLETTER

Autumn Term 2020 Issue 4

Dear Parents and Carers,

I want to thank all the children for the way they have handled the changes at school this past week. It is not easy to feel we are separated again, even just a little bit, but the children have made the most of it and supported each other. Our Play Leaders have done a brilliant job of organising extra games at playtimes to make sure everyone is included. I am proud of you all.

Thank you also to the staff for, again, adapting to changes at short notice and going above and beyond for our children. You are a wonderful team to work with and you make Tysoe the very best school it can be.

A third thank you to all of the parents for your ongoing support as we continue to improve our procedures. We are mindful of the amount of information we are sending home and appreciate the time you take to read it.

Collection Times and Procedures

All parents will have received updated information regarding collecting your children at the end of the school day. We know this will take time to get used to and will make sure we signpost collection points clearly for you. Please note Beech and Oak classes will be collected at 3:15pm and KS2 classes at 3:25pm.

It is important that parents are on time for both morning drop off and afternoon pick up.

INSET Day

Please note Monday 2nd November has been set as a training day for the staff and school will be closed to children.

Coats and Outdoor Shoes

Playtimes will also be outdoors and on the field as much as possible. All children have been asked to bring in named wellie boots or outdoor shoes from Monday. Please ensure your children also have a named coat appropriate for the weather.

Parent Communication

If you have not yet done so, please login to your ParentPay account or contact the office for login details. We are sending all newsletters and other communications via ParentPay now. The Microsoft accounts belonging to your children are for the children and parents should not be logging into these to email staff or for Teams meetings. We teach the children about online safety and part of this is teaching the children that we do not share accounts. Please continue to contact the office and your query will be directed to the appropriate staff member.

PE Kits

Please ensure your children arrive at school in their PE kit on the appropriate days, which will have been shared with you by the class teacher. Wherever possible PE lessons will be taking place outside. Please dress your children appropriately for the weather; **black** jogging bottoms, **white** t-shirt and a **red** jumper please.
