

**Friday 15<sup>th</sup> January 2021**

Dear Parents and Carers,

**Remote Learning**

Thank you again for your patience as we all get to grips with using Teams for our remote learning. The staff are often struggling with the same technology issues as you are at home. Thank you to those children who have followed the guidance we shared and are using online learning sessions so sensibly.

Please remind your children that Teams is for school work - it is not to be used as a social media platform. Remember we expect the same high standard of behaviour during remote learning as we do in class. We have shared guidelines for using Teams on the school website.

Please can I also remind parents they are to email [supporttys@welearn365.com](mailto:supporttys@welearn365.com) with remote learning questions or queries.

**Collective Worship**

We have Collective Worship every Monday at 9:15am and every Friday at 9:30am. It has been lovely to see so many of you joining us.

Our Christian core value this half term is Perseverance.

**Government Guidance**

Please be aware of the latest government guidance that was released on Monday 4th January. **It is against the law to meet socially with family or friends unless they are part of your household or support bubble.** Exercise is permitted once per day and should be taken with members of your household or support bubble wherever possible. Children should not be meeting in groups at the park or anywhere else. We have alerted parents previously to some known safeguarding concerns around primary aged children being unaccompanied in the park.

**Silver Birch Class**

We have enjoyed reading George's Marvellous Medicine by Roald Dahl. We created our own illustrations in the style of Quentin Blake and wrote our hopes and dreams in thought bubbles.

**Beech Class – Rockets**

Beech Class topic is Toys and they followed instructions to make rockets.
