TYSOE NEWSLETTER

Spring Term 2021 Issue 4

Dear Parents and Carers,

Another busy week of blended learning at Tysoe. We have enjoyed seeing all of your work, photos and art. We have even had some artwork from some parents! Keep submitting your work for your teacher to see - I hear the staff talking about the wonderful work you are sending in.

Children's Mental Health Week 1st - 7th February 2021

This year, more than any other, we need to talk about our mental health and well-being. The theme for this year's Children's Mental Health Week is "Express Yourself." Your class teacher will set some activities next week around what it means to express ourselves and why it is so important. We are also having free dress Friday on 5th February as a chance for everyone to dress to express themselves. You could wear your favourite colour or dress as your favourite character. Whatever you choose should express something about you. If you wish, you can donate to Place2Be via ParentPay from next week. Place2Be are a charity supporting children's mental health and well-being.

Please remember that Teams calls are still considered part of school and clothing should be appropriate. No pyjamas please.

Remote Education

Thank you for the wonderful job you are doing and thank you to the children for engaging in their lessons and with the activities sent home. I have been so impressed with way the children have adapted and persevered. We are acutely aware that every aspect of their lives has changed - not just school. All the things they love have changed; sports, seeing friends and family, coming to school and so much more. Our children's minds will often be racing yet they carry on each day. They are superstars. Keep at it!

Communication

If you are seeking support or wanting to clarify information, please email the school at supporttys@welearn365.com or telephone the office to arrange a time to speak with your child's class teacher. What's App groups can be supportive for parents but are not always sharing accurate information. Our school website and the newsletter are the most accurate source of information for parents. We are here to help and will always come back to you as quickly as possible.

Collective Worship

We have Collective Worship every Monday at 9:15am and every Friday at 9:30am.

Our Christian core value this half term is Perseverance.
