

**Friday 19<sup>th</sup> March 2021**

Dear Parents and Carers,

A second busy week back at school! We have again been impressed with the children's positive attitudes and enthusiasm. Attendance is very high and it is a pleasure to see not just the learning taking place but the friendships being re-established.

Please remember collection times are slightly different to usual;

Beech and Oak Classes at 3:15pm.  
KS2 from the playground at 3:20pm.

Please leave the school site promptly after to have collected your children. Please do not stop to chat at the gate or on the school premises and while waiting to collect KS2 children please ask younger siblings not to run around the playground.

**Parents' Evening Appointments**

Teams appointment invitations will have been emailed to you this week ready for next week. Please remember the appointments are ten minutes long.

Enjoy your weekend.

*Paige Neale* Head of School

**Beech Class**

We made St Patrick Day cones as part of our shape learning.

We went on A Spring walk around Tysoe, ticking off what we saw and ticked in tallies when we saw them more than once. We saw daffodils, nests and birds.

## Reception Artwork

We are grateful to the PCC for funding the new artwork in the Main Reception at school.

We love that it represents our school so well. We were keen to have Sunrising, Windmill and Edgehill represented and all of the farmland and nature that we are so lucky to be surrounded by here in Tysoe. We really like the five leaves of the different trees our classes are named for too; Beech, Oak, Rowan, Silver Birch and Willow.

We really like all the animals included in the artwork too. We especially like the caterpillar changing into the butterfly because we think it represents our values so well; Nurture, Serve and Grow.

We think the different seasons on show and the rainbow are important to show that we are a Christian school and we are growing as valuable members of the Christian community. We think the artwork really does represent life in all its fullness.

## Silver Birch Class

Silver Birch enjoyed being rock detectives on their walk around Tysoe.

## For Sale

We have 3 oak effect Ikea shelving units that we no longer require W40cm x D28cm x H105 cm.

Also a book box with shelf underneath at front and back(similar to those used in a Library). Ideal for a playroom 62cm W x 45cm D x 62cm H.

We are requesting donations. Please contact the school office for more information.
