

Friday 19<sup>th</sup> June 2020

Dear Parents and Carers,

We have had more children returning to school this week and everyone has settled in very well. It is not quite the same at school but we are all enjoying our time together. We continue to wait for updated guidance from the government about a wider return to school and will share any updates with you as soon as possible.

### Virtual Sports Day

All of the children, both in school and at home, are invited to take part in a Virtual Sports Day next week. You will have some information sent to you on your school email account and we would love for you all to take part. The weather looks set to improve next week and we hope you enjoy being outside and taking part. All of the 'events' use equipment that you can easily find at home. Remember to email in photos or videos of the events so we can share them with everyone. Good luck!

### Apart but Together Art Project

Today you will all have had an email from your teacher about our whole school art project - Apart but Together. We are creating an installation for the front of the school and would like every child to be part of our project recognising this extraordinary time we have lived through. Please leave your artwork in the box by the car park gate and we will add it to the project. Please do not come inside the gate. It is important to us that we have a contribution from all of the children and we are looking forward to you being able to see it outside school.

### Year 6 Leavers' Service

This year we will be hosting an online Year 6 Leavers' Service on Wednesday 1st July at 1pm. More details will follow for Year 6 parents to join and watch the service online.

We have some other special events planned in school for Year 6 to celebrate their time at Tysoe and will be sending home further details next week

# **TYSOE NEWSLETTER**

## Summer Term Issue 2

### Pom Poms

Don't forget to drop your pom poms to the box by the gate. The tree at the front of school is looking very colourful! I hope some of you have seen it as you walk by.

### Class Photos

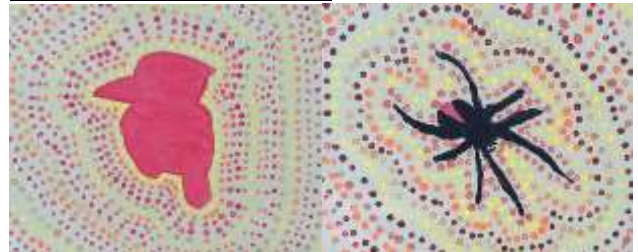

Your teacher will have emailed you or spoken to you about sending in a photograph of yourself to add to a class photo collage as we are not able to group photos this year. Please email your photo to your class teacher by Friday 10th July so we have time to send your class photo back to you.

### 11+

The deadline for 11+ applications for 2021 school entry is 29 June 2020.

### Australian Dot Paintings

I hope you all have a lovely weekend.

Paige Neale

Head of School

*This school is committed to safeguarding and promoting the welfare of children and expects all staff, volunteers and parents to share this commitment.*
