## Summer Term Issue 3

Dear Parents and Carers,

We are so pleased to see more children in school and are delighted that we have been able to offer all children a chance to be in school before the end of the term. We are looking forward to seeing everyone.

### Lockdown Gallery

We would like to create a Lockdown Gallery at school acknowledging all of the brilliant home learning completed by the children. Please email to [admin3068@welearn365.com](mailto:admin3068@welearn365.com) a photograph or document that shows your child's favourite home learning activity and we will display these at school ready for their return in September.

### Apart but Together Art Project

Please continue to send in your handprints and butterflies for our Art project. It is starting to come together and we are excited to share it with you but we would like a contribution from everyone by Monday 29<sup>th</sup> June please.

### Home Learning

Our home learning offer will be changing from Monday 6<sup>th</sup> July. With more children in school, the staff are at capacity and will be unable to respond to emails or SeeSaw over the final two weeks of term. We will have home learning suggestions and resources on the website for parents and children to access for these two weeks and over the Summer holiday period. You are welcome to continue to contact the school via [admin3068@welearn365.com](mailto:admin3068@welearn365.com)

### Class Photos

Your teacher will have emailed you or spoken to you about sending in a photograph of yourself to add to a class photo collage as we are not able to group photos this year. Please email your photo to your class teacher by Friday 10<sup>th</sup> July so we have time to send your class photo back to you.

### Virtual Sports Day

We hope you enjoyed completing your Virtual Sports Day! We had a fantastic time in school. Don't forget to email your class teacher with the name of your house and how many activities you completed. You are welcome to email them a photograph too.

## **Help to protect against serious vaccine-preventable diseases - WCC Family Wellbeing**

During Covid-19 local GPs have reported a drop in the uptake of pregnancy, infant and pre-school booster vaccinations in Warwickshire.

Attending routine vaccination appointments is important, as it helps to stop an outbreak of serious vaccine-preventable diseases such as Measles, Meningitis and whooping cough.

If you are pregnant or have young children, it's important that you continue to attend your scheduled vaccination appointments on time. If you cancelled these appointments during lockdown, please rebook now.

Your GP surgery will have all the necessary precautions in place to keep you and your child safe from COVID-19. If you have any questions about the steps they have put in place, why not talk to the receptionist to help ease your concerns.

Attending your routine vaccination appointments not only protects you and your children from very serious illnesses, but also protects more vulnerable people who would be at very great risk if they were to contract these diseases.

If you're unsure about the schedule and when vaccinations are due, check your child's Red Book or visit:

## **Warwickshire Fire and Rescue**

We hope you and your children are keeping safe and well during this time of uncertainty, we understand that life, school and education looks different at the moment.

You may be staying at home more than normal and it is important to ensure that you and your children are safe from fire and accidents in the home.

- Make sure you have a working smoke alarm on every level of your home and test it once a week to ensure it is working correctly.
- Make sure plug sockets are not overloaded and switch off items that are not being used.
- Do not leave cooking unattended or children alone in the kitchen.
- Make sure candles and cigarettes are put out properly and never left unattended.
- Make sure your boiler is checked on an annual basis.
- Always have an escape plan and practice this with your children.

If you have any concerns regarding safety in the home, please visit our webpage for more information [www.warwickshire.gov.uk/fireandrescue](http://www.warwickshire.gov.uk/fireandrescue)

Alternatively you can ring 01926 466282 to see if you qualify for a free Safe and Well check

You can also contact our Community Fire Prevention team for advice on the above details, between the hours of 9am to 5pm.

## **11+**

The deadline for 11+ applications for 2021 school entry is 29 June 2020.
