Dear Parents and Carers,

Apart but Together

We hope you love our Apart but Together rainbow as much as we do! Thank you to all of the children for their contributions. We are incredibly proud of how you have all coped with the changes to both school and your life at home. We are leaving the rainbow outside school for all to enjoy and then hope to make it a more permanent fixture inside school in September as a reminder of this significant time we have lived through together. Every family has been impacted differently and we are delighted that we will have everyone back together in school in September.

Thank you also to the parents and carers for your efforts with home learning. Home learning is not an easy task! Thank you for sharing the children's home learning and for the many messages of thanks and support you have sent; they were all gratefully received. We have some wonderful examples of home learning for our Lockdown Gallery. It is not too late if your child would like to include their favourite piece of home learning. Please email these to admin3068@welearn365.com.

The school website has been updated to include suggested activities for the children over the Summer. We continue to await further details on the government catch-up funding and plans for the Autumn. We hope that these activities will be useful suggestions for the children over the coming weeks. You can find a Passport of suggested activities for your year group on the Class Pages.

TYSOE NEWSLETTER

Summer Term Issue 6

I would also like to thank all of the staff for their hard work and dedication. The staff are a fantastic team and their support has been invaluable to me in my first year Tysoe. Not quite the first year I expected and not one we could ever call uneventful!

Summer Support

There is support available to all Warwickshire families over the Summer holidays if needed. The services below can be accessed by parents or carers for support with a range of issues.

Family Information Service

The FIS provide information, advice and one-to-one support for families with children and young people aged 0 to 25 across Warwickshire on issues including:

- family relationships
- finance, housing
- parenting support
- Special Educational Needs and Disabilities (SEND)
- childcare and health and wellbeing.

To speak to a school nurse, parents or carers can call the School Health and Wellbeing Service on 0330 024 5204 or text Parentline on 07520 619376.

Return to School in September

The information for returning to school in September was emailed to all parents and carers this week. Please do read it carefully and keep a copy for September.

Wishing all of our children and their families a safe and relaxing Summer. We look forward to seeing you all on Wednesday 2nd September!

Paige Neale

Head of School

This school is committed to safeguarding and promoting the welfare of children and expects all staff, volunteers and parents to share this commitment.
